FICCI FLO's (FICCI Ladies Organisation) executive board member, Harjinder Kaur and its president Neeta Boochra hosted an event to promulgate Swachh Delhi Abhiyan at the FICCI Federation House. BJP state president Satish Upadhyay was the chief guest of the event. He nominated Harjinder to spread Swachh Delhi Abhiyan for the next five years. As a nominee for Delhi, Harjinder further identified seven ratnas from MCD schools and nine from FLO to spread this programme and felicitated them. A presentation was given to Upadhyay on the model followed by FLO, which will be replicated in all MCD schools in next three months. The best school will be announced during AGM of FLO. Harjinder divided all the jewels and other nominees of FLO into three categories—action, awareness and advocacy.

The guests who attended the event were Garima Singhi, Namita Gautam, Sandhya Sethi, Mona Chudhary, Poonam Sharma, Nidhi Goel and many more.
